

BUILDING THE UNCAN.EU ECOSYSTEM: CANCER MISSION ONBOARDING SESSION

 **DATE:** 27 May 2026

 **TIME:** 10:00 - 11:00 CET

 **LOCATION:** [Online - MS Teams](#)

 **OBJECTIVES:**

Introduce the UNCAN-Connect project, Onboarding process, explain expectations for Cancer Mission projects, and initiate identification of candidate digital assets for onboarding into the UNCAN ecosystem.

TIME (CET)	SESSION	PURPOSE
10:00 - 10:05	WELCOME & OBJECTIVES	Introduce the workshop goals, expected outcomes, and the importance of coordinated onboarding of Cancer Mission digital assets.
10:05 - 10:15	INTRODUCTION TO UNCAN-CONNECT PROJECT, UNCAN.EU PLATFORM VISION	Present the UNCAN-Connect project, UNCAN.eu platform objectives, ecosystem role, and long-term vision for improving discoverability, interoperability, and reuse of Cancer Mission digital assets across Europe.
10:15 - 10:25	UNCAN.EU PLATFORM ROADMAP & ONBOARDING STRATEGY	Explain the phased platform evolution, onboarding waves, onboarding priorities, and how projects will engage with the platform over time.
10:25 - 10:35	WHAT CANCER MISSION PROJECTS SHOULD CONTRIBUTE?	Clarify expected digital assets, including datasets, AI models, software, workflows, tools, metadata schemas, and guidelines.
10:35 - 10:45	HOW THE ONBOARDING PROCESS WORKS?	Explain the practical onboarding workflow, metadata submission process, validation steps, support mechanisms, and how assets become discoverable through the UNCAN catalogue.
10:45 - 10:55	OPEN DISCUSSION & QUESTIONS	Address onboarding concerns, metadata challenges, interoperability questions, governance considerations, and project expectations.
10:55 - 11:00	NEXT STEPS & CLOSING	Summarize onboarding timeline, support process, upcoming activities, and key takeaways.
